
Digital@UNGA 2026

Affiliate Sessions Overview

September 2026 | NYC

Digital@UNGA 2026

Building a Digit'all Future Together

What:

On 21 September 2026, world leaders, innovators, and changemakers will gather at UN Headquarters in New York to spotlight how digital technologies can connect, empower, and transform lives. The **Anchor Event**, Digital@UNGA, powered by ITU and UNDP, will bring together world leaders, innovators, youth pioneers, investors, and changemakers to explore how digital technologies can help build a more inclusive, trusted, and people-centered future. Through dialogue, innovation showcases, partnerships, commitments, and major announcements, the event will highlight the role of digital technologies in shaping a better future for all. Across the week, **Affiliate Sessions** hosted by diverse organizations will carry this mission forward, highlighting digital innovation and its impact across sectors and communities worldwide.

Who:

Digital@UNGA is convened by the **International Telecommunication Union (ITU)**, the UN Agency for Digital Technologies, and the **United Nations Development Programme (UNDP)**, the UN's lead agency for sustainable development. ITU brings global leadership in connectivity and digital transformation, while UNDP leverages its presence in over 170 countries and territories to advance inclusive growth and human development, with digital as a key enabler and accelerator. By joining forces, ITU and UNDP amplify the impact of digital cooperation, ensuring that technology becomes a driver of opportunity for everyone, everywhere.

Why:

Digital@UNGA responds to today's urgent call for action. In a world marked by polarization and crisis, digital remains one of the strongest forces for unity and progress. Together, the Anchor Event and Affiliate Sessions reaffirm digital as a driver of development and inclusion, celebrate innovators delivering bold solutions, and inspire future action through dialogue and commitments. The vision is clear: to **build a Digit'all Future that is inclusive, trusted, people-centered**, and powered by collaboration, innovation, and digital opportunity for all.

Affiliate Sessions

As part of the ITU-UNDP Digital@UNGA programme during UN High Level Week 2026

Affiliate Sessions are independently hosted by diverse organizations as part of the ITU-UNDP Digital@UNGA programme during UN High Level Week 2026. They share the same mission as the Anchor Event, to celebrate the power of digital to connect, uplift, and empower. Together, they expand the stage of Digital@UNGA, ensuring that voices and innovations from every sector and region are spotlighted throughout the week.

Affiliate Sessions are encouraged to contribute to one or more of the **thematic journeys** of Digital@UNGA 2026:

Digit'all Innovation

Exploring digital technologies, frontier innovations, and new ideas shaping the future of development and society.

Digit'all Inclusion

Showcasing solutions that expand access, opportunity, and participation, ensuring that no one is left behind in the digital age.

Digit'all Future

Highlighting leadership, partnerships, youth engagement, and collective action to build a more inclusive, trusted, and people-centered digital future.

Affiliate Sessions:

- **Showcase** innovative digital solutions, partnerships, and initiatives advancing inclusive and sustainable development.
- **Explore** the opportunities and challenges of emerging technologies, including Artificial Intelligence, quantum computing, space technologies, digital public infrastructure, and other frontier innovations.
- **Amplify** youth leadership, multistakeholder collaboration, and collective action to build a Digit'all Future for all.

Sessions are fully designed and managed by their organizers, from venue and speakers to communications and promotion, ensuring creativity and ownership. Whether in-person, hybrid, or virtual, Affiliate Sessions extend the Digital@UNGA mission across communities worldwide. Their outcomes will be highlighted in the **Digital@UNGA post-programme report**.

Affiliate Sessions at a Glance

Tentative schedule, subject to change. All times are in New York local time (EDT)

16, September 2026

18:00 (EDT) AI Evaluations for Social Good Organizer(s): Humane Intelligence and Morgan Stanley

Venue: 1585 Broadway, New York, NY 10036, United States
Registration required: Mala Kumar, info@humane-intelligence.org,
Registration link: <https://forms.gle/5Lz3kb3Y8yp7csW49>
More information: <https://humane-intelligence.org/get-involved/events/>

17, September 2026

17:00-19:30 AI, Jobs, and Development: Perspectives for and from the Rest of the World

Organizer(s): MIT Abdul Latif Jameel Poverty Action Lab (J-PAL) and Schmidt Sciences
Venue: Schmidt Sciences Offices, Union Square, New York, NY, United States
Registration required: <https://luma.com/tm3woe1r>

18, September 2026

09:00-11:30 Bridging the Digital Divide: Empowering Youth and Grassroots Women through AI, Digital Skills and Inclusive Innovation

Organizer: Youths Enterprise Development & Innovation Society (YEDIS)
Venue: Suite B10, Ebony Plaza, Ayetoro, Osogbo, Osun State, Nigeria (Hybrid)
Registration link here: <https://forms.gle/LYt5mTqgKe6PGug17>

Organizer: United Nations Group on the Information Society (UNGIS)
Venue: Amartya Sen Conference Room, UNDP Headquarters, New York, NY, United States
Registration required: More information [here](https://www.ungis.org/en/defiende)

11:00-12:30 Beyond Access: Co-Creating the Next Generation of Inclusive Digital Learning

Organizer: Center for Programming and Digital Creativity "KIBERone

Banja Luka"
Venue: Nikole Tesle 13, 78000 Banja Luka, Bosnia and Herzegovina
Registration required: Dragana Babić, draganacizmovic@gmail.com,
More information here (<https://www.mentoraplus.org/>)

13:00-14:30 IP Infrastructure and AI: Building Trust in the Next Generation of Innovation and Creativity

Organizer: World Intellectual Property Organization (WIPO)
Venue: Instituto Cervantes New York, 211-215 E 49th St, New York, NY 10017, United States
Registration required: Ana Vepkhvadze, External Relations Consultant, WIPO, ana.vepkhvadze@wipo.int
Registration link [here](https://forms.cloud.microsoft/e/75EdPkQMJa) (<https://forms.cloud.microsoft/e/75EdPkQMJa>)

20:00-22:00 (Baghdad and Beirut time)

AI Governance and Its Applications in Education and Research: A Joint Iraqi-Lebanese Training Program
Organizer: Routes for Development and Consultancy (RDC), in collaboration with Al-Shaab University, Baghdad
Venue: Fully virtual (Baghdad and Beirut)
Registration required: Dr. Daoud Sheiboub, davidzein@routesdc.net, or Dr. Amer Elameer, amerlameer@alshaab.edu.iq
More information here (<https://routesdc.net/index.php/abo-ut-rdc>) and here (<https://www.facebook.com/routes.btc>)

19, September 2026

13:30-16:30 AI for Everyone: Building Human Capability for the AI Future

Organizer: Wasabi AI
Venue: Fully virtual
Registration required: Yashashvi Mukesh, yash@thewasabiai.com
Registration link here (<https://luma.com/ccsvrs5m>)

20, September 2026

09:00-10:00 From Access to Agency: Closing the AI Opportunity Gap for the Next Generation

Organizer: PURE Global
Venue: Fully virtual
Registration required: Dr. Shyla Talluri, info@thepureglobal.org

More information here (<https://www.thepureglobal.org/>)

10:00 – 12:00 (Iraq time) The Judiciary and Artificial Intelligence

Organizer: Al-Shaab University, Baghdad, Iraq
Venue: Al-Shaab University Main Campus, Main Conference Hall, Siydeaa Sector, Baghdad, Iraq (hybrid event)
Registration: Dr. Amer S. Elameer at amerelameer@alshaab.edu.iq
More information here (<https://www.alshaab.edu.iq/>)

11:00-13:30 The Global AI Safety Imperative: From Principles to Action

Organizer: The Global Council for Responsible AI
Venue: The Yard: Herald Square, Manhattan, New York, NY, United States
Registration required: Shalirrah Wisney, Director of Marketing, swisney@gcrai.ai
Registration link here (<https://luma.com/ybnjuqo0>)

11:00-14:00 Education Systems in the Age of AI: What's Changed, What's Next?

Organizer(s): UNESCO, UNICEF, Global Partnership for Education (GPE), ITU, and Cambridge University Press & Assessment
Venue: Scandinavia House, 58 Park Ave, New York, NY 10016, United States
Registration required: Malek Ben Cheikh, m.ben-cheikh@unesco.org,
Registration link [here](https://www.unesco.org/en/defiende)

13:00-17:30 Digital@UNGA Kick-off event AI for Global Progress: An Innovation Showcase

Organizer: Google Cloud
Venue: Google Hudson Square Campus, New York, NY
Registration required: Stacey Jackson, staceyev@google.com
More information [here](https://www.google.com/events/digital-unga)

14:00-15:00 From Digital Exclusion to Global Opportunity: AI, Education & Entrepreneurship Pathways for Youth and Women in East and the Horn of Africa

Organizer: Kastan Mentoring CIC
Venue: Fully virtual
Registration : Not required
For more information, contact Yasmin Mohamud Kastan at Yasminkastan4@gmail.com
More information here (<https://www.kastanmentoring.com/>)

TBC Africa AI Governance Summit

Organizer: Lawyers Hub
Venue: Hybrid, the Marriott Marquis Times Square.
Registration required: info@lawyershubafrica.com, More information here (www.aipolicy.africa/summit)

21, September 2026

09:00-10:30 Human Centric Cities in the Age of AI: Connectivity, Inclusion and Opportunity for All

Organizer(s): ITU Global Initiative on AI and Virtual Worlds: Discovering the Civerse and Universitat Autònoma de Barcelona
Venue: Fully virtual
Registration: No registration required. More information here: <https://webs.uab.cat/transmedia/digitalunga/>

09:30-15:00 OPEN @ UNGA 81: A Conversation on Collaboration

Organizer(s): Creative Commons, Public Knowledge, Ushahidi, Project Liberty, Engelberg Center, Global Solutions Initiative, AI Disclosures Project, Mozilla Data Collective, Invest in Open Infrastructure and Wikimedia Foundation
Venue: NYU Engelberg Center, Lipton Hall at D'Agostino Hall, 108 West 3rd Street, New York, NY, United States
Registration required: Anna Tumadóttir, CEO, Creative Commons, anna@creativecommons.org
Registration and more information here (<https://creativecommons.org/event/open-unga-81-a-conversation-on-collaboration/>)

 Registration required: Participation by invitation only.
secretariat@tdgi.org, More information here (<https://tdgi.org/events/14-oct-2026-tashkent-uzbekistan-asia-symposium/>)

FAQ

What are Affiliate Sessions?

Events independently hosted by diverse organizations as part of the ITU-UNDP Digital@UNGA programme during UN High Level Week 2026, contributing to the shared vision of building a Digit'all Future Together.

Who can organize one?

Any organization with experience in digital development and partnerships. UN agencies and ITU Members are especially encouraged.

What values must they reflect?

Sessions must align with Digital@UNGA's mission and contribute to a more inclusive, trusted, and people-centered digital future through innovation, collaboration, and positive impact.

Who should be involved?

At least two stakeholder groups, for example, governments, private sector, civil society, youth, or academia.

What are organizers responsible for?

All logistics, speakers, promotion, financing, and registration are managed by the organizer. Sessions can be in-person, hybrid, or virtual. Organizers are also responsible for preparing a short report after their session, which will be consolidated into the overall outcomes. This helps contribute to impact, with session highlights featured in the Digital@UNGA post-programme report. See the full Affiliate Session criteria [here](#).

What recognition is given?

Affiliate sessions can use the official tagline, will appear in the Digital@UNGA programme guide, and may be promoted on ITU and UNDP channels.

How do I apply?

Submit your proposal via the online form: [here](#)

Please note: the deadline for submitting affiliate session proposals is **12 September 2026**.

Who do I contact?

Digital@UNGA Secretariat - DigitalUNGA@itu.int

Visit our website [here](#)
